# OUR STORY

---

Since 2022, our company has focused on delivering top-notch carton erecting services to prominent exporters of citrus fruits and meats in South Africa.

We have established a strong reputation among our clients by providing high-quality products, including carton erecting machines, bin fillers, and plastic wrappers. To ensure our clients' warehouse operations are efficient and seamless, we offer daily reports that help them monitor and track their progress effectively.

Our dedication to excellence drives us to consistently surpass client expectations.

Recently, we have broadened our product range to include cable solutions. By partnering with leading cable suppliers, we can provide only the highest quality cables that are SABS-approved to our customers. This expansion also involved a rebranding initiative, highlighted by the launch of a new logo.

# Our Mission

Your vision is ours.

Our goal is to be your leading integrated service provider, with a focus on long-term sustainability as your business partner.

We leverage advanced technology to enhance productivity, reduce operational costs, and ensure high-quality product handling through our skilled personnel.

# Philosophy

YOU NEVER KNOW WHAT YOU CAN  
DO UNTIL YOU TRY.

- WILLIAM COBBETT

# Simplify Your Electrical Installations with Pre-Packed Cable Solutions.

At Integrated Packhouse Solutions, we've developed our GP Wire pre-packed electric cable range to meet the technical and logistical needs of today's electrical professionals.

Each roll is precision-measured, clearly labeled, and sealed for protection, ensuring reliability and consistency across every project.

-  **Technical Advantages:**
-  **Pre-measured lengths (5m, 10m, 15m, 20m & 30m):** Ideal for smaller installations, repairs, and on-site convenience.
-  **Improved stock control:** Simplifies inventory management for contractors and wholesalers.
-  **Reduced material waste:** Purchase exact lengths required, minimizing excess cable and cost.
-  **Clean handling and storage:** Professional packaging ...

# CSI PROJECTS

## ShePowHer Foundation

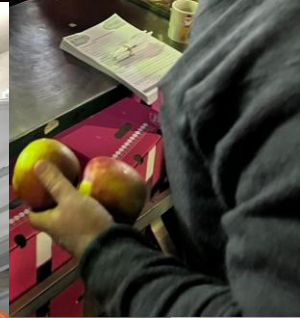

IPS, in collaboration with ShePowHer Foundation and EVP, extended support and empowerment to female seasonal farm laborers by generously donating 150 menstrual cups to the women at Clan Leslie, Flass Apples, and Maluti Farms. <https://shepowher.co.za/>

**ShePOWHER**  
BE UNSTOPPABLE

## Kenmare Primary – Sandwich Project

Three years ago, IPS became a part of the Sandwich project, an initiative aimed at providing nutritious sandwiches to underprivileged children multiple times throughout the year. We firmly believe that children are the future, and it is our duty to ensure that we support and nourish our youth.

## MATW- Projects – GAZA project

The MATW Project, or Muslims Around The World Project, is an Islamic charity organization dedicated to providing humanitarian aid and support to vulnerable communities globally, particularly in regions facing crises.

**CUSTOMERS**

# Aspirations

TO ACHIEVE SUCCESS, BUSINESSES MUST ADAPT TO THE EVER-CHANGING DEMANDS OF BOTH NEW AND EXISTING CUSTOMERS.

THE COMMON BELIEF IS THAT BUSINESSES CAN SIMPLY EXIST, BUT IN REALITY, SUCCESS RELIES ON SEIZING THE RIGHT OPPORTUNITIES AND STAYING AHEAD OF COMPETITORS.

OVER THE NEXT FIVE YEARS, WE PLAN TO EXPAND OUR BUSINESS PORTFOLIO BY EXPLORING SECTORS BEYOND AGRICULTURE. ONE OF OUR KEY INITIATIVES IS TO LAUNCH OUR PRE-PACK RANGE IN THE RETAIL SECTOR. THE WORLD IS FULL OF OPPORTUNITIES FOR US TO EXPLORE.
